The grading system at our program is the following:

1) Signature: fail or pass; no grades are given and 0 credit point is allocated to the course/subject

2) For mid-semester grades (msg), exams and final exams the grades are:

1(fail) - the failing mark,

2(pass) - the minimum passing mark,

3(satisfactory),

4(good),

5(excellent) - the maximum mark.

The credit points allocated to a given subject is granted when the student has obtained a passing mark.

Type of courses: obligatory, exam course (no contact classes, only exam possibility to complete an obligatory course), elective, optional, criterion requirement.
